

QUALIVITA

**CQ<sub>10</sub>** *Protection shield for GI Tract*

***Benefits of Qualivita CQ10 :***

- Due to coating sustain release technology that the contents of Qualivita CQ10 releasing at specific sites in the GI tract.
- Due to synergistic work birds are more active.
- It improves the feeding intake even in stress period.
- Effectively controls running mortality.
- Improves gut health and nutrient absorption.
- Stimulates immune system promotes healthy growth.
- Improves the survival & FCR.

## What is Qualivita CQ10?

**Qualivita CQ10** is a highly concentrated blend of natural vitamin C, organic acids, essential oils, copper sulphate and co-enzyme C Q10, microencapsulated, to be used as a feed additive in poultry, swine and aquaculture feeds for the purpose of reducing the challenges of parasites, entero-bacteria, mold in animals, stimulating the immune system and promote growth.

### Mode of Action

The ingredients in **QUALIVITA CQ10** work synergistically as follows:

- Micro-encapsulated natural vitamin C** raises the animal defenses by strengthening the immune system.
- Microencapsulated organic acids and essential oils** kills bacteria, mold, and parasites, both in the feed and the digestive, providing a healthier and balanced digestive tract.
- Microencapsulated copper sulphate** acts as a bactericide in the digestive tract and increases the effect of antibiotics by helping to prevent the animal's resistance to them.
- Co-enzyme CQ10** is necessary for the transport of oxygen across the cell wall. It helps prevent infarction of the myocardium frequently occurring in poultry and swine in periods of stress due to heat, crowding or transport.

### Inclusion Rate:

- Poultry:** 50 grams /MT of feed. Swine: 100 grams /MT of feed. Aquaculture feeds: 100 gr/ MT
- Product description:** Light yellow to white powder. 500 to 700 microns, free flow with blue specks. Odor: Pungent
- Toxicity:** Oral rats: LD50: 1,700 mg/Kg. 26,000 mg/kg, mild irritation rabbit skin. 500 mg/24 H mild.
- Packaging:** 20 kg fiber drums with security ring

**QUALIVITA C Q10** Certified Quality
