

KIRKLAND SIGNATURE[™] BABY AND KIDS CATALOGUE

KIRKLAND SIGNATURE[™] BABY WIPES (900 CT)

- The most exciting breakthrough in premium-quality baby wipes.
- Tencel[®] is the revolutionary fabric that begins where other fabrics end. You'll see and feel why it's ultra-soft the very first time you use it.

BETTER FOR BABY

- Tencel[®] is ultra-soft and absorbs faster and better than other wipes.

BETTER FOR YOUR WORLD

- Our wipes are made from 100% renewable resources.
- More than ever, parents like you want products for their children that are naturally made from raw materials but are also respectful of the environment.
- That's why Tencel[®] is the ideal New Age material.
- Tencel[®] is made from trees. Actually, from the cellulose inside trees, which is naturally absorbent and renewable. The innovative manufacturing process is environmentally responsible because it effectively recaptures and reuses manufactured resources.

- Even the wipes are biodegradable, which creates a natural, sustainable cycle.

NATURE RETURNING TO NATURE

- Derived from natural resources
- 100% renewable
- Biodegradable
- In established international testing, Tencel's manufacturing process is rated more eco-friendly than other fibers. In addition, its carbon footprint is about 30% smaller than that of cotton manufacturing.*
- Tencel[®] is advanced care for your baby and for our earth.

INCLUDES:

- 9 packs (100 wipes per pack)
- Natural softness of Tencel[®] fiber which is made from 100% renewable resources
- Vitamin E
- Hypoallergenic
- Alcohol Free
- Tencel[®] is a registered trademark of Lenzing A.G.
